Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Our opinion is not qualified in respect of these matters.

NOTES TO BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS

1 Significant Accounting Policies

1.1 Basis of Accounting

The financial statements of the Company are prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP), on accrual basis under historical cost convention as a going concern. The Company has prepared these financial statements to comply with the requirements of mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013(Act) read with rule 7 of the Companies (Accounts) Rules, 2014. The accounting policies adopted for the preparation of financial statements are consistent with those of the previous year except when a newly issued accounting standards is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use and when the statute mandate the change.

1.2 Use of Estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and reported amounts of revenues and expenses during the reporting period.

1.3 Tangible & Intangible Assets

Tangible and Intangible assets are stated at original cost of acquisition / installation net off accumulated depreciation, amortization and impairment losses. The cost of fixed assets includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition/installation.

1.4 Impairment of Tangible & Intangible Assets

At each Balance Sheet date, the company reviews the carrying amount of fixed assets to determine whether there is any indication that those assets have suffered impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

1.5 Depreciation of Tangible & Intangible Assets

Depreciable amount for Tangible & Intangible Assets is the cost of the asset, or other amount substituted for the cost, less its estimated residual value.

Depreciation on tangible assets has been provided on the Straight-Line Method (SLM) by adopting the useful life prescribed as per Part C of Schedule II to the Companies Act, 2013 and retaining 5% of the original cost as residual value, except for assets having value less than Rs.10,000/- which are depreciated at 100% in the year of purchase.

Cost of Software is treated as Intangible Assets and is amortised over a period of three years in accordance with Accounting Standard (AS) 26.

1.6 Investments

Investments intended to be held for not more than one year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the investments.

1.7 Preliminary Expenses

Preliminary/Preincorporation expenses incurred are written off to Statement of Profit & Loss in the year in which it is incurred in accordance with Accounting Standard 26 issued by ICAI.

1.8 Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the employee has rendered service.

The Company provides Gratuity/Leave Encashment benefit to all employees which is a defined benefit plan. This liability is unfunded and the company pays these benefits as and when the employee leaves the organization. Provision for the year is made on the assumption that this benefit is to be paid to all employees at the end of the accounting year.

1.9 Taxes on Income

Current Tax is provided and determined as the amount of tax payable in respect of taxable income for the period. Deferred Tax is provided and recognized on timing differences between taxable income and accounting income subject to consideration of prudence. Deferred tax is not recognized as assets on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that there will be sufficient future taxable income available to realize such assets.

1.10 Provisions and Contingencies

A provision is recognised when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
