INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF CHERAMAN FUNDS MANAGEMENT LIMITED

Report on the Financial Statements

We have audited the accompanying Financial Statements of **Cheraman Funds Management Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter Paragraph

We draw attention to the following matter in the Notes to the financial statements:

- a. Note no.19 to the financial statements which indicate that the company has accumulated losses and its net worth has fully eroded, the Company has incurred a net cash loss during the current and previous years, and the Company's current liabilities exceeded its current assets as at the balance Sheet date. These conditions along with other matters set forth in Note 19, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said note.
- b. Note No.14 regarding the amount to be recovered from one of the Trust towards the expenses incurred, which is pending for recovery for quite long time. However, the Management is confident of recovery for the reasons stated therein.

Our opinion is not qualified in respect of these matters.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

“REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR
INDEPENDENT AUDIT REPORT OF EVEN DATE ON THE FINANCIAL
STATEMENTS OF CHERAMAN FUNDS MANAGEMENT LIMITED FOR THE
YEAR ENDED 31ST MARCH 2018**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section
143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Cheraman Funds Management Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial

controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS

1 Significant Accounting Policies

1.1 Basis of Accounting

The financial statements of the Company are prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP), on accrual basis under historical cost convention as a going concern. The Company has prepared these financial statements to comply with the requirements of mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013(Act) read with rule 7 of the Companies (Accounts) Rules, 2014 as amended from time to time. The accounting policies adopted for the preparation of financial statements are consistent with those of the previous year except when a newly issued accounting standards is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use and when the statute mandate the change.

1.2 Use of Estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and reported amounts of revenues and expenses during the reporting period.

1.3 Tangible & Intangible Assets

Tangible and Intangible assets are stated at original cost of acquisition / installation net off accumulated depreciation, amortization and impairment losses. The cost of fixed assets includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition/installation.

1.4 Impairment of Tangible & Intangible Assets

At each Balance Sheet date, the company reviews the carrying amount of fixed assets to determine whether there is any indication that those assets have suffered impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

1.5 Depreciation of Tangible & Intangible Assets

Depreciable amount for Tangible & Intangible Assets is the cost of the asset, or other amount substituted for the cost, less its estimated residual value.

Depreciation on tangible assets has been provided on the Straight-Line Method (SLM) by adopting the useful life prescribed as per Part C of Schedule II to the Companies Act, 2013 and retaining 5% of the original cost as residual value, except for assets having value less than Rs.10,000/- which are depreciated at 100% in the year of purchase.

Cost of Software is treated as Intangible Assets and is amortised over a period of three years in accordance with Accounting Standard (AS) 26.

1.6 Investments

Investments intended to be held for not more than one year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the investments.

1.7 Preliminary Expenses

Preliminary/Preincorporation expenses incurred are written off to Statement of Profit & Loss in the year in which it is incurred in accordance with Accounting Standard 26 issued by ICAI.

1.8 Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the employee has rendered service.

The Company provides Gratuity/Leave Encashment benefit to all employees which is a defined benefit plan. This liability is unfunded and the company pays these benefits as and when the employee leaves the organization. Provision for the year is made on the assumption that this benefit is to be paid to all employees at the end of the accounting year.

1.9 Taxes on Income

Current Tax is provided and determined as the amount of tax payable in respect of taxable income for the period. Deferred Tax is provided and recognized on timing differences between taxable income and accounting income subject to consideration of prudence. Deferred tax is not recognized as assets on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that there will be sufficient future taxable income available to realize such assets.

1.10 Provisions and Contingencies

A provision is recognised when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

1.11 Cash Flow Statement

Cash Flows are reported using the Indirect Method, whereby net profit before tax is adjusted for the effect of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
